

Our Pet Shop Commercial

Name: _____ Student Number: _____ Homeroom: _____

Teacher: _____

Congratulations!

You and your friends have decided to buy a pet shop. Each person in your group must choose a different animal to sell. The animal must be one that you can buy at a real pet shop, so you cannot choose animals like lions, tigers, or bears. Choose carefully because you will need to write a report about your animal later. If you choose an animal that you don't know much about, you will need to do a lot of research on your own. Once you choose your animal, you cannot change it.

Brainstorm some animals that you could sell at a pet shop. Each person should choose one animal to sell.

Write the name of each person in your group below. Then write what animal they chose.

Your group needs to give your pet shop a name. What will you call your pet shop? Be creative with your pet shop's name.

Create a Commercial

You are going to make a commercial to try and sell your animals, but first you need to make some choices about the animal you are selling so that you can make a poster that will be in your commercial.

Look at the example below. Then do your practice poster on the next page. Get your teacher to check it and then you can do your good copy.

Write Your Commercial

You need to make your commercial exciting if you want people to watch it and come to your shop.

Write the script for your commercial. Below is a very basic script that your group can use, or you can make your own. Get your teacher to check it and then you can start to practice your commercial.
